Bradley For Fairbanks.

William O. Bradley, in a statement given out Monday, announced that he favors the nomination of Fairbanks. Mr. Bradley denounced the activity of Federal office holders in politics and says that Taft, if nominated, could not be elected. He gives five reasons why he prefers Fairbanks to the other opponents of Judge Taft.

"Ben-Hur" to Be Staged at the Opera House, Lexington.

When the curtain is drawn at the Opera House, Lexington on Thursday evening, March 19, the most elaborate, magnificent and historically correct production will be disclosed that has ever charmed and enthralled a theatre audience, for this will be the premiere of the Chicago Auditorium production of "Ben Hur" in Lexington. More than three years have elapsed since "Ben Hur" was presented in Lexington. At that time hundreds journeyed from this vicinity to witness it. No doubt the same excellent patronage will mark the forthcoming engagement.

"Ben Hur," with its lustrous Star of Bethlehem, its camels, Arabian steeds, Oriental trappings, and mimic splendor of the "gorgeous East" is beyond dispute the most elaborate spectacle ever staged in the history of the world. Its series of 17 scenes present to the eye a feast of multifarious beauty and variety, all set to a symphonic accompaniment of graceful music. The exciting episodes, such as the gally scene with its horde of chained slaves; the sea-fight, and rescue in mid-sea and the thrilling race with two chariots and eight horses, combined with the picturesque scenes illustrating the Wise Men in the desert, the moonlit lake in the Orchard of Palms where Ben Hur and Iras enjoy seclusion and make love in Iras' barge, the palm-waving worshippers on Mt. Olivet, and the Grove of Daphne with nymphs dancing in the skins of beasts to the music of kissing cymbals—simply captivate audiences wherever it is enacted.

"Ben-Hur" appeals to all classes, all ages and all denominations of the Christian faith, and draws to it, as to a place of worship hundreds of thousands who seldom, if ever, set foot within a theatre. The person of the Savior is never made to appear bodily in the play, yet in the scene in which the healing of the lepers in implied the approach of the Master is indicated by a stream of pure white light amazing in its effectiveness. This scene is the most remarkable of the play and is heightened in impressiveness by the singing of a chorus of one hundred voices, joining in "Hosannas" of praise to the Lord.

The engagement of "Ben-Hur" is for three nights only, opening on Thursday, March 19, with a special matinee performance on Saturday, March 21. Seats for the "Ben-Hur" season will be placed on sale Monday, March 16. Mail orders, accompanied by remittance, will be filled in order of receipt. The scale of prices will range from 50 cents to \$2.00. All communications should be addressed to Mr. Charles Scott, manager of the Opera House, Lexington.

Powers Determined to Run.

Caleb Powers is planning to make the race for Congress in the Eleventh district whether he released from jail at Georgetown before the nominations are made or not. The friends of Congressman D. C. Edwards are planning to have an early primary or convention called in the hope of keeping Powers out of the race.

When man takes iron for his blood he should be careful not to take pig iron.

Not At All.

"Doesn't seem a little inconsistent for us to send Missionaries over to China to teach them how to get to Heaven and then not let them come to this country?" asks Gerald Sullivan. The Maysville Ledger answers: "Not at all, Sully; America isn't Heaven, by a long shot."

TESTED AND PROVEN.

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Paris readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Alex Talbott, living at 1800 Block So. Main Street, Paris, Ky., says: "I can well praise Doan's Kidney Pills for the benefit I received from their use. The statement I gave in favor of them in 1903 was true in every particular and holds good to-day. I have remained cured of the kidney trouble since and Doan's Kidney Pills, which I procured at J. A. Wilson's drug store, deserve all the credit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Thomas Pleads Equity's Case.

Hon. Claude Thomas, of this city, spoke to the farmers of Henry county at New Castle Monday in the interest of the Society of Equity, and his speech was pronounced one of the fairest from an Equity standpoint ever delivered in Henry county. Mr. Thomas urged the farmers of the county to stand together in the fight against the American Tobacco Company, and he said with a solid union on the part of the tobacco growers the battle would be won and in the future the farmer would get good prices for his product. The meeting was attended by a crowd which filled the court house, and one notable feature of the meeting was the fact that the entire audience was composed of members of the Society of Equity, and not a man identified with the anti-Equity movement in the county could be seen in the crowd.

Rank Foolishness.

"When attacked by a cough [or a cold, or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge, of Empire, Ga. "I have used New Discovery seven years and I know it is the best remedy on earth for coughs and colds, croup, and all throat and lung troubles. Most children are subject to croup, but New Discovery quickly cures every attack."

Now the world over as the King of throat and lung remedies. Sold under guarantee at Oberdorfer's drug store. 50c and \$1.00. Trial bottle free.

Declared the Candidate.

Judge O'Rear being the only candidate for the Republican nomination for the Court of Appeals from his district the committee met at Mt. Sterling Monday and declared him the nominee, thus doing away with the convention as originally called.

Immense Corn Crop.

The Centralia Guard says that the 1907 corn crop on the farm which Robert Johnson, of Mexico, Mo., sold to an Illinois man a year ago was valued at \$20,500. This farm is located ten miles north of Mexico. The owner lives in Illinois and rents his Missouri farm out for one-half of the crop raised thereon. His part of the 1907 crop was 25,000 bushels of corn, and at the low rate of 41 cents brought the owner of the land the neat little sum of \$10,250. This farm was the former home of John Robinson, the famous bareback rider.

A Higher Health Level.

"I have reached a higher health level since I began using Dr. King's New Life Pills," writes Jacob Springer of West Franklin, Maine. "They keep my stomach, liver and bowels working just right."

If these pills disappoint you on trial, money will be refunded at Oberdorfer's drug store. 25c.
